

## PLAYER CODE OF CONDUCT

- Respect Everyone- Coaches, Staff, Rink Employees, Managers, Referees and Opponents!
- BE ON TIME!
- Leave the place better than you found it and represent the Royals brand everywhere you go. This include Extreme Ice Center, away rinks and facilities, restaurants, hotels, EVERYWHERE!
- Play between the whistles. Do not concern yourself with chirping opponents. No selfish penalties. Let the play do the talking, not your mouth.
- NEVER argue with the officials
- Game Environment- We will practice like we play. Every ice session will have similar intensity to the games we participate in.
- Work Hard to improve your skills at home and at the rink.
- Learn teamwork, sportsmanship and discipline.
- Be a team player- get along with your teammates.
- Walk and behave like winners. While winning is not our only goal, we expect to win due to our preparation and work ethic throughout the week.
- Play for the crest on the front, not the name on the back. If you play for the crest on the front, the rest will take care of itself.
- Jerseys do not touch the ground under any circumstance! When not being worn, jerseys are to be hung in the player stalls properly. Respect what you have and respect the logo!
- Carry yourselves as professionals. There is always someone watching.
- Playing in a premier facility in the Southeast is a PRIVILEGE, not a right. Treat this building with respect. All members of this organization will be held accountable for keeping locker rooms, gym space and other areas of the facility clean.
- Cell Phone use in Locker Rooms will be **PROHIBITED** during ALL practices and games.
